## Groupings

In the space below, please provide a list of township and/or major class groupings (if any). Additionally, please provide information detailing how the townships and/or major classes are similar in the market.

Improved Residential parcels in Harrison, Reeve, Barr and Veale Townships were combined together because of their proximity to both Washington and Vincennes employment areas.

**\*\*Please note that groupings made for the sole purpose of combining due to a lack of sales with no similarities will not be accepted by the Department\*\***

## AV Increases/Decreases

If applicable, please list any townships within the major property classes that either increased or decreased by more than 10% in total AV from the previous year. Additionally, please provide a reason why this occurred. The calculation for the change uses the AV from the prior year with the prior year property class and the AV from the current year with the current year property class.
